Proposed by Director the arrangements

Serial No.

1

From the Dir of Geology.
No 8116-11 dated 8/8/34

Recommends that grant to Mr. B. Balaji Rao, Asstt Geologist, may be granted privilege leave for one month and twenty days from 4 Sept 1934 to 23rd Oct 1934 preparatory to retirement from Service & that Mr. V.T. Venugopal, Sub-Asst Geol. O.O.D. in the Mysore Iron works, may be appointed to act as Asst Geologist & Superintendent Geol chemist mines during the leave period of Mr. Balaji Rao

Balaji Rao was permitted to retire from 24/10/34.

Subd

The recommendations of the Dir are as follows

(1) Mr. Balaji Rao may be granted privilege leave for one month and 20 days from 4th Sept 1934 preparatory to retirement from service

(2) Mr. V.T. Venugopal, Sub-Asst Geol, O.O.D. in the Mysore Iron works, may be appointed to act as Asst Geol & Superintendent of Govt chemist mines during the leave period and confirmed thereafter in that place after Mr Balaji Rao's retirement

(3) Mr. Venugopal may be granted a salary of ~~Rs 360~~ Rs 350/- P.M. in the Grade of Asst Geol (Rs 300-25-450).

& (4) Mr. T.P. Krishnachar, acting Sub-Asst Geol, may be confirmed in that place

SECTION. 21 R. 1935 SECTT.

NOTE—Contn. Sheet.

WD 01955—GPB—22,500—12-6-34

(2)

from the date the post falls vacant permanently.

4. The Govt of India Concurrence seems to be required for orders.

5) The leave ~~not~~ recommended in favour of Mr Balaji Rao has perhaps to be sanctioned, as the title to it is certified to by the Comptroller

7) The appointment of Mr Venugopal in place of Mr Balaji Rao & of Mr TP Krishnamachar as permanent Asst Geologist and Sub Asst Geologist respectively, when Mr Balaji Rao actually relieves, may also perhaps be approved, as the proposal is in accordance with seniority

3. The query that Mr Venugopal has to get as Asst Geologist has to be decided ~~after~~ in accordance with the instructions contained in GOI no 7(628-87) SSA 23-34-1 dated the 23rd July 1934. The opinion of the Fl Secy will have to be obtained in case it is proposed to place the officer in any special grade of pay

4 The Director reports that Mr

Serial No.

Venugopal should be recalled to the Geological Dept for work. The Board of Management of the Mysore Iron Works will have to be consulted as to whether they are agreeable to the proposed transfer.

C.B.
13/8/34

8. The order of 1st Sept 1928 fixing the salary of Mr. Venugopal at Rs. 460 from 1st Sept 1928 in the Iron Works may be put up as also the order relating to the appt of Mr Krishnachar as Sub Asstt Geologist.

9. What are the new grades sanctioned for the Geological Department in the recent revision of scales of pay?

13/8/34.

1st Sub.

The Collector's Geol 30-29 (14, 16-18) re appointment of Mr. Krishnachar as acting Sub-Asst-Geologist-ward-ship Govt dated 11/4/30 is flagged A and reference is also invited to this Govt letter no D 13.13 Geol 70-27-6 dated 16/6/28 re the question treating Mr. Venugopal as a permanent officer of the Geol Dept—

11 The revision of scales of pay in the Geol Dept. is still under consideration with the

Hof I

NOTE—Contn. Sheet.

WD 01955—GPB—22,500—12-6-31

Jud Branch: No orders has yet been issued.

It is understood that the fixing of Mr. Venugopal's pay at Rs 450/- is provisional subject to information's available in the branch. It was also ascertained from the Dy Secy and the Comptroller's Office that no copies of the fixing the pay at Rs 450/- seem to have been sent to them & approved the Secy, Board of Management, Mysore. From which, will be asked to state under what order the pay of Mr. Venugopal was fixed at Rs 450/-

3 The leave of Mr. Balaji Rao may perhaps, be sanctioned just and the posting & consequential arrangements proposed by the Dy may be taken up thereafter.

4 Two drafts are put up for consideration

16/8 16 see (illegible)

1 The privilege leave of Mr Balaji Rao preparatory to retirement may be granted.

2 Mr Venugopal's services will be retained may be utilised. He did very good work at Bhavani in the earlier years but for various reasons he has not kept

DEVELOPMENT SECRETARIAT 1050 16 AUG. 1934

Serial No.

his usefulness there. Anyway our more energetic man is required there.

18 His permanent pay in the dept is Rs 250 as sub-asst geologist and in the ordinary course he should start in the higher grade in 3 or 4 yrs as asst. Geologist. But the Director has recommended that he should start on 350. This recommendation has been influenced by the fact that Mr Venugopal has been drawing Rs 450 in the Iron Works but that salary has in no case been taken into consideration in fixing the salaries in the regular cadre. But in the case of Mr Venugopal he has put in a service of about 19 years and his immediate senior who started about the same time is drawing 450 the maximum of the grade. Mr Venugopal has been receiving Rs 250 so far back as 1.7.29. On account of these considerations and that Mr Venugopal is capable of good work the Director's recommendation may be accepted.

19 As recommended by the Director Mr Krishnachar may be confirmed as Sub asst Geologist.

Yours obediently
Asst Secy

21 There is no objection to the grant of leave to Mr. Balaji Rao.

22 As Mr. Venugopal is permanently promoted from Rs 125-25/2-250 to Rs 300-25-450 his initial salary may be fixed in accordance with the rules, viz., at Rs 300/- To depart from rules and give a higher salary than that admissible under the rules is not financially acceptable. When the scales of pay of the posts of Assistant Geologists are revised in due course the officer has to be fitted in the new scale in accordance with the rules in the general order dated 23rd July 1934.

23 Mr. Krishnachar's confirmation as Sub Assistant Geologist may be deferred till the scale of the post is revised.

27/8

24 The leave to Mr Balaji Rao is proper grant with sept.

28.8

25 Mr Venugopal has taken some leave - issue you Krishnachar from the 1st Sept when that leave will expire

limestone in both places was well known but Dr Smeeth and the other officers held that the quantities were small and would not pay to develop the mines for some inconsiderable reason they would not even try and the works were made to depend upon certain material. In the case of the flux it was well known that dolomite was not as good as lime stone in the blast furnace and the use of lime yielded certainly better results. Mr Venugopal persisted against all opposition that Gangue lime stone be used and it was on account of this that Sir. M. Visvesvaraya took Mr Venugopal to the works and recommended liberal treatment to him.

"To be frank, I am not prepared to give credit to Mr Venugopal for reductions in costs which was achieved in spite of them. Apart from the increased economy drive Various [illegible] items were suggested by Messrs. Macharya & Gallop as members of the Committee and Messrs Davies and Ramaraj are the local officers. Mr Venugopal was practically opposed to everyone of the measures and later on further economies were individually due to the suggestions of Mr. Harmer of the Bengal

GENERAL AND REVENUE SECRETARIAT

Council Matter

Subject

Proposal (1) to promote Mr. V.T. Venugopal as Assistant Geologist with effect from 24th October 1934 vice Mr. Balaji Rao retired and fix his pay at Rs.400/- in the revised grade of Rs.200-40/2-400 and (2) to confirm Mr. T.P.Krishnachar in the consequential vacancy as Sub Assistant Geologist on the pay admissible in the revised grade of Rs.125-10-175.

Circulated to the Members of Council

By Order,

R. Rangachar

30th January 1935.

Chief Secretary to Government.

First Member of Council (Now vacant.)

Second Member of Council

Financial Secretary, with compts, for favour of concurrence.

It is proposed to give Mr. Venugopal

Serial No.

a salary of Rs 400/- in the grade 200-40/2-400 on the ground that he has been drawing Rs 450/- in the Iron Works for a number of years. It is however to be pointed out that Mr. Venugopal's substantive pay was Rs 200/- in the grade Rs 125-25/2-250 (as Supernumerary Sub Assistant Geologist) at the time when he was taken to the Iron Works where he was given in addition a duty allowance of Rs 100/- and a P.M.T.A. of Rs 100/- as it was usual to give allowances to officers taken to the Iron Works.

It has been held that officers reverting from the Iron Works cannot expect to get their salaries under Government, fixed on the basis of their salary in the Works. ~~His~~ Mr. Venugopal's substantive pay under Government is only Rs 250/-.

This is not quite correct. At first his pay was inclusive of T.A., but afterwards his pay was fixed at Rs 400 + T.A. under the M.S.R. that was in 1927. In 1928 his pay was fixed at Rs 450 exclusive of T.A. under the M.S.R. vide Pub. D. letter

OFFICE OF THE FIRST MEMBER OF COUNCIL 15 FEB. 1935 5868

——Ignoring the Rs 100/- Permanent monthly Travelling Allowance, at least Rs 100/- has to be regarded as the extra salary in the Iron Works. On this basis his pay under Government could be taken at the most at Rs 350/- Under the strict rules based on his substantive pay he can be started only on Rs 240 plus Rs 10/. Even if it is intended to give some concession in consideration of the higher pay in the Iron Works the starting pay cannot be more than Rs 350/- i.e., (Rs 320/- plus Rs 30/-). This is what the Head of the Department has recommended and this is the utmost that can be accepted financially.

Final Note by the First Member of Council.

18

Subject:—

Confirmation of Mr. V.T. Venugopal, B.A., as Assistant Geologist and Mr. T.P. Krishnachar, B.Sc. as Sub Assistant Geologist

In connection with the filling up of the post of Assistant Geologist and Superintendent of the Government Chrome Mines at Byrapur caused by the retirement of Mr. B. Balaji Rao, with effect from 24th October 1934, the Director of Geology submitted the following proposals for sanction in August and September 1934:-

(i) Mr. V.T. Venugopal, B.A., Sub Assistant Geologist, on other duty in the Mysore Iron Works at Bhadravati, to be promoted as Assistant Geologist and Superintendent of the Government Chrome Mines on a pay of Rs.350 in the grade Rs.300-25-450 on the ground that his salary in the Iron Works was fixed at Rs.450 with effect from 1st September 1928; and

(ii) Mr. T.P. Krishnachar, B.Sc., acting Sub Assistant Geologist to be confirmed in the place of Mr. Venugopal on Rs.175 in the grade Rs. 125-25/2-250.

The scale of pay of the officers of the Departments of Geology and Mines having since undergone revision in October 1934 it has become necessary to fix the salaries of the two officers referred to above in the new grades of Rs.200-40/2-400 and Rs. 125-10-175 sanctioned for Assistant and Sub Assistant Geologists respectively.

So far as Mr. Krishnachar is concerned, I am of opinion that he may be confirmed in the new grade of Sub Assistant Geologist with effect from 24th October 1934 on the pay admissible to him under the Mysore Service Regulations. This is agreed to by the Financial Secretary and approved by the Dewan and the Second Member of Council.

As regards Mr. Venugopal, I had some enquiries made as to the nature of the service rendered by him in the Iron Works for a number of years and have been given to understand that he had on the whole done good work there. In view of this and also of the fact that he has been drawing Rs.450 at the Iron Works for over 7 years, I am of opinion that he may be confirmed on Rs.400 in the

new grade of Assistant Geologist with effect from 24th October 1934.

The Financial Secretary is not in favour of giving a starting pay of more than Rs.320 plus Rs.30 to Mr. Venugopal on the ground that his substantive pay under Government was only Rs.250 and the balance of Rs.200 represented permanent monthly travelling allowance and duty allowance at Rs.100 each. But this is not quite correct as his pay was fixed at Rs.400 plus travelling allowance under the M.S.R. in 1927 and at Rs.450 exclusive of travelling allowance from 1928.

Taking all the circumstances of the case into consideration, I think it reasonable to fix the pay of Mr. Venugopal at Rs.400 in the new grade. The Dewan and the Second Member of Council agree in this view and I solicit His Highness' gracious sanction to the following proposals:-

(a) to promote and confirm Mr. Venugopal as Assistant Geologist vice Mr. Balaji Rao, retired, on a starting pay of Rs.400 in the revised grade of Rs.200-40/2-400, with effect from 24th October 1934, and

(b) to confirm Mr. Krishnachar in the consequential vacancy as Sub Assistant Geologist on the pay admissible under the Mysore Service Regulations in the revised grade of Rs.125-10-175, from the above date.

Bangalore,
14th March 1935.

To

M.Venkatanaranappa, Esq., B.A.,
Secretary to the Govennment of
His Highness the Laharaja of Mysore,
Development Department, Bangalore.

SIR,

I have the honour to forward herewith a copy of an application from Mr. B.Balaji Rao, Assistant Geologist, for privilege leave for one month and twenty days from 4th September 1934 to 23rd October 1934 as preparatory to retirement from service from 24th October 1934, when he completes his 55 years of age. Since it has been decided by Government to retire him from service from 24th October 1934, as per D.O. letter of the Chief Secretary, No.2656/C.B.31-33 dated 8th February 1934, I beg to recommend that Government may be pleased to grant him the above privilege leave applied for, preparatory to retirement. The Comptroller's Certificate about the leave is forwarded herewith for reference.

As Mr. Balaji Rao retires from service immediately after the termination of leave, the post of an Assistant Geologist of this Department falls vacant. I recommend that Mr. V.T. Venugopal, B.A. Sub-Assistant Geologist, who is now seconded on other duty in the Mysore Iron Works, may be appointed to act as Assistant Geologist and Superintendent of Government Chrome Mines during the absence of Mr. Balaji Rao on privilege leave and afterwards confirmed as such after Mr. Balaji Rao's retirement.

I am informed by the General Manager of the Mysore Iron Works that "when Mr. Venugopal was transferred from the Department to the Mysore Iron Works, he was allowed by a Government order No. [illegible] 3894-6/I.W. 23-24-6 dated 6th December 1924 to draw a duty allowance of Rs.100/- and a Fixed Travelling allowance of Rs.100/- in addition to his pay of Rs.200/- as Sub-Assistant Geologist. Making into account the two increments of Rs.25/- each earned subsequently in his permanent appointment and also the good work done by him in the mining Department, his salary was fixed at Rs.450/- from 1st September 1928. He has been allowed also to draw the usual T.A. admissible under the L.S.R".

I consider it necessary that Mr. Venugopal should revert to this office, since he has been away for nearly 10 years, as otherwise he would be out of touch with the work of the department. His present salary of Rs.450/- has been based on the Duty and Fixed Travelling allowances as stated above; and both these allowances would cease when he reverts back to his original appointment in this department. As thereby he would lose a good portion of his present income, I propose that if Mr. Venugopal is appointed as Assistant Geologist, he should be granted a salary of Rs.350/- in the present grade of Assistant Geologist (Rs.300-25-450) and I recommend that he may be permitted to draw Rs.350/- per month both as acting Assistant Geologist during the period of leave of Mr. Balaji Rao and also as Assistant Geologist when confirmed as such in the grade of 300-25-450 after the retirement of Mr. Balaji Rao.

If the above proposal of promoting Mr. V.T. Venugopal as Assistant Geologist and confirming him as such, when the permanent vacancy occurs, is sanctioned by Government, then the second post of sub-Assistant Geologist would fall vacant

permanently. I recommend that Mr. T.P.Krishnachar B.Sc., who has been acting satisfactorily as Sub-Assistant Geologist for about 5 years, may be confirmed as sub-Assistant Geologist from the date the post falls vacant permanently.

I beg to request that all the above recommendations may be favourably considered and sanctioned by Government at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

A. M. Lee

29th August 1934.

The Secretary to Government
of Highness the Maharaja of Mysore,
Development Department, Public Offices,
Bangalore.

Dear Sir,

Reversion of Mr.V.T.Venugopal,B.A.,to the Geological department.

Mr.V.T.Venugopal was deputed to the Iron Works in Government Order No.I.C.1574-7/Geol.29-24-~~29~~ dated the 3rd September 1924 and he was appointed to the charge of Superintendent of the Mines, on a salary of Rs.200/- + D.A.Rs.100 +F.T.A.Rs.100 vide G.O.No.I.C. 3896-6/I.W.23-24-6 dated the 6th December 1924. His salary was consolidated into Rs.400/- on the 1st September 1927, and he was allowed to draw the usual travelling allowances under the Mysore Service Regulations for his visits to the Mines. On the 1st - - September 1928, he was granted an increment of Rs.50/- making up a salary of Rs.450/- per month.

Mr.Venugopal's services have been very useful to the Works. Some of his outstanding contributions are:-

(1) Supply of cheaper lime from the Vajra and Kondli mines.

DEV.
13. SEP. 1934

The Secretary to Government,
Development Department,
Public Offices, Bangalore.

Dear Sir,

With reference to your letter No.D.1788/Genl.18-34-7 dated the 7th instant enquiring for details about the economies effected by Mr. V. T. Venugopal during his tenure of office as Mining Superintendent of the Works, I beg to enclose herewith a statement showing the progressive decline in the cost of Kemmangandi ore and Gangur limestone supplied to the Works, which is self-explanatory.

The introduction of the Vajra and Kondli limestone for use in the manufacture of lime acetate in place of the costlier - - - Dronachallam limestone used previously may be stated to have - - resulted in a saving of Rs.5 to Rs.10/- per ton of lime used in the Still House. Up to about the end of November 1931, about 1,000 tons on an average, of lime was used in the Still House and the present consumption averages about 250 to 300 tons annually on account of the

THE MYSORE IRON WORKS
